“And if you spend yourselves in behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness...”
Isaiah 58:10

Boise – “Banana Belt of Idaho”?

We have heard it said over the years that Boise is the “banana belt” of Idaho. Lest we get too comfortable with warm winters, we must remember that we too will have our share of the elements and all the challenges it brings such as bad roads, parking lots filled with snow, leaky roofs etc.

We here at CMC have certainly faced these challenges as we endeavor to help families in need of food and recognize that it becomes even more difficult for families when the weather is bad. Our Center is located in a white building in back of the church, Mountain View Community Fellowship who has supplied us with a building for the center and additional space for storage over the years to facilitate the running of the Center. Many of you have supported the Center each year by being a part of the Gospel Workshop. This year there will be a SONGFEST held at Mountain View and we would like to invite you to attend their SONGFEST and organ dedication. The offering from this SONGFEST will be used to help pay for a new roof and associated repairs caused by roof damage above the Fellowship Hall. Please come, enjoy great music, and help support this worthy cause.

Thank you! Thank you! Thank you! Words cannot express our gratitude to all of you who came to our rescue to provide Turkeys and all the items needed to provide complete Thanksgiving boxes for families in need in our Community. With your help we met our goal of having supplies on hand to feed 100 families for the Holidays.

By Thanksgiving we were able to hand out 99 complete Thanksgiving boxes and with items that came in after Thanksgiving we were able to hand out another 75 boxes for Christmas as well as provide Holiday meat to another 50 families between Christmas and New Year. Little is Much when God is in it and we thank Him for those who were thoughtful of others and shared what they had with others for the Holidays. May the Lord bless you all in 2017.

Community Ministries Ctr. is supported by the gifts of concerned people. **We thank you one and all.**

We are a 501-C3 non-profit service agency and all gifts are tax-deductible. CMC is a volunteer-run agency and pays no salaries. A social worker is available on Tuesdays who can more thoroughly screen clients and advise them of other services that are available in the Community. A volunteer associate is once again, once a month, administering a program of vouchers for clothing for emergency needs.
